

std::logic_error

```
graph BT; A[zenith::NotImplementedException] --> B[std::logic_error]
```

The diagram illustrates an inheritance relationship. At the bottom is a dark gray rectangular box containing the text 'zenith::NotImplementedException'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box with a thin gray border located above it. This upper box contains the text 'std::logic_error'.

zenith::NotImplementedException
