    class sf_priv_SoundFileWriterOgg["sf::priv::SoundFileWriterOgg"]
    class sf_SoundFileWriter["sf::SoundFileWriter"]
    sf_priv_SoundFileWriterOgg --|> sf_SoundFileWriter
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'sf::priv::SoundFileWriterOgg'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'sf::SoundFileWriter'. This indicates that 'sf::priv::SoundFileWriterOgg' inherits from 'sf::SoundFileWriter'.
