

sf::SoundFileWriter

```
classDiagram
    class sf_priv_SoundFileWriterWav["sf::priv::SoundFileWriterWav"]
    class sf_SoundFileWriter["sf::SoundFileWriter"]
    sf_priv_SoundFileWriterWav --|> sf_SoundFileWriter
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'sf::priv::SoundFileWriterWav'. A blue arrow points upwards from this box to a white box at the top labeled 'sf::SoundFileWriter'. This indicates that 'sf::priv::SoundFileWriterWav' inherits from 'sf::SoundFileWriter'.
