

testing::internal::
NiceMockImpl< MockClass >

anonymous:

testing::gmock_nice
_strict_test::NiceMock
< MockClass >

The diagram illustrates the relationship between three C++ classes. At the bottom is a grey box representing 'testing::gmock_nice_strict_test::NiceMock < MockClass >'. Two arrows originate from this box: a red arrow pointing diagonally up and to the left to a white box labeled 'testing::internal::NiceMockImpl< MockClass >', and a blue arrow pointing diagonally up and to the right to another white box labeled 'anonymous:'.
