```

```

The diagram illustrates a pointer relationship between two data structures. At the top is a white box labeled 'ImVec2'. At the bottom is a grey box labeled 'ImGui_ImplGlfw_Data'. A dashed purple arrow points from the 'ImGui_ImplGlfw_Data' box up to the 'ImVec2' box. To the right of the arrow, the text 'LastValidMousePos' is written in a light grey font, indicating the specific member variable responsible for the pointer.
