

ImVec2

```
graph BT; A[ImGuiPlatformImeData] -.->|InputPos| B[ImVec2]
```

The diagram illustrates a data flow from the `ImGuiPlatformImeData` struct to the `ImVec2` struct. A dashed purple arrow points upwards from the `ImGuiPlatformImeData` box to the `ImVec2` box. The label `InputPos` is placed to the right of the arrow, indicating the specific data being passed.

InputPos
